## Cocktail Reception for the Prime Minister of Canada, Stephen Harper

The Hong Kong Academy of Ice Hockey was invited by the Canadian Chamber of Commerce to attend a cocktail reception for the Prime Minister of Canada, Stephen Harper. The Prime Minister, being an avid hockey fan, was presented with HKAIH jerseys for him, his son and daughter. It was a successful event in which Founder and Chairman Thomas Wu and Head Coach and General Manager Barry Beck had a chance to meet with the Prime Minister and other members of the Canadian Chamber of Commerce.
