Understanding Adolescent Project

The Understanding Adolescent Project (UAP) is a comprehensive support program for personal growth by the Education and Manpower Bureau (EMB). It aims at enhancing students' resilience in coping with the challenges they have to face as they grow up. HKAIH was happy to work with the Hong Kong Sheng Kung Hui Primary School Counselling Services for this project. The children who took part in this project had a chance to try ice hockey first hand with our General Manager and Coach, Barry Beck. The process involved bringing the theory of ice hockey onto the ice and putting it into practice.

「成長的天空」聯校冰球開放日

2004年，教育統籌局把「成長的天空」計劃引入小學，目的是透過推行不同形式的活動，使他們勇於面對成長路上的各種逆境，以積極的態度面對及處理困難。「香港冰球訓練學校」經「香港聖公會小學輔導服務處」安排下，特別由包比利教練組成一隊探訪隊伍，到訪屬下不同小學，同學們透過冰球的認知與導師講解及互動體驗中，能增加對陌生事物的自信心。在進入學校的同時，包比利教練並邀請同學參加聯校冰球開放日，為同學提供理論與實踐結合的經驗。
