Canada-China and Education Association and Guangzhou Jiangnan Middle School

On the 19th of July 2012, the Hong Kong Academy of Ice Hockey was invited by the Canada-China and Education Association, to do an ice hockey demonstration for middle school students from the Guangzhou area. It is the third year of HKAIH being invited to arrange demonstration for their English camp which focused on Canadian culture. The demonstration began with an explanation of ice hockey and where it originated along with how a hockey puck is made. A more detailed description of the equipment was presented by Coach Barry Beck. Afterwards the students all had the chance to play ball hockey and experience the game along with fellow classmates. Thank you to the Canada-China Education Association for inviting HKAIH again to participate their English camp and make this demonstration possible.

加中文化教育協會和廣州市江南中學

2012年7月19日，本校連續第三年獲邀請，到廣州市為一個以集中加拿大文化為首的英語交流營進行冰球示範推廣。示範包括首先播放一段冰球短片，讓大家可以初步認識，並介紹冰球的製作。然後由包比利總教練為大家詳細講解冰球裝備。最後所有學生都有機會進行曲棍球賽，在球賽中和同學們感受冰球的刺激和樂趣。再次感謝加中文化教育協會的邀請，讓本校有機會在廣州進行冰球推廣及示範。
