

Primary School Summer Program 小學冰球暑期訓練

2015

Primary School Summer Program

On July 20-24, 2015, the HKAIH organized a summer program at Sky Rink, Dragon Centre. Totally 37 students from 7 primary schools participated in the training to enhance their personal skills. They also had chance to play scrimmage against their friends. We hope their effort will pay off and be our future ice hockey stars.

小學冰球暑期訓練

在7月20至24日，香港冰球訓練學校假西九龍中心的飛龍冰上樂園舉辦了冰球暑期訓練，共有來自7間小學的37位小球員參與。當中的練習讓他們提升個人滑冰和冰球技術，亦有訓練賽的機會，以增加臨場戰略意識。雖然期間遇上幾天的狂風雷暴，但亦無減同學們訓練的熱誠！希望他們會繼續努力，在冰球方面更上一層樓。
